

-----amaze.cor (part)-----

800001

We had reason, therefore, to read the conditions regarding the cemetery.

I was <tag "512619">amazed</> and saddened to see the many restrictions imposed, and I believe ours is more lenient than many others.

800002

Something is clearly going on.

More <tag "512617">amazing</> is the fact that these towns don't have the benefit of City of Culture-style licensing laws, yet are still buzzing.

800003

On one occasion they sprayed the ball about for more than 20 passes, with Bruce Rioch's players chasing hopelessly to try and regain possession.

Durnin missed an <tag "512617">amazing</> chance from inside the six yard box when Ford headed a Simpson corner his way and for a moment, when Boro struck a goal out of the blue, he must have wondered what he had done.

800004

Potted histories of each game are considered in the light of the rise of professional players, the links between games and gambling, the political and financial interests behind great sporting events, and so on.

Some happy facts are unearthed: until 1912 goalkeepers were allowed to handle the ball outside the penalty area; and some <tag "512617">amazing</> notions are aired: it is rewarding to discover that `Hitler's war made sea fishing very difficult indeed".

.....

-----behaviour.corr (part)-----

800001

However, most of us are aware of some of our horse's efforts to communicate, and if we reward these efforts by understanding, the horse will gradually increase its communication with us.

We can improve our ability to understand our horse if we can gradually train ourselves to observe it more intently, and to see in what situations and in what context different sounds, movements, and <tag "512740">behaviour</> are used.

800002

Nor will it come as any surprise to close observers of these battles to find local branches of the Transport Workers' union swinging more arms than a demented octopus.

The same kind of <tag "512740">behaviour</> by the same union muddied the waters in Knowsley North in the mid-Eighties.

800003

This has been a powerful force for good, he believes (though just at this moment it is none too helpful for the trade balance).

But will the elimination of national level cartels now under way in Europe be replaced by a re-emergence of anti-competitive <tag "512740">behaviour</> on a European or wider level?

800004

Both the oceanic and the continental crust are separated from the underlying mantle by a sort of boundary, or discontinuity, known after its Yugoslavian discoverer as the Mohorovicic discontinuity, or Moho for short.

This discontinuity was recognized by studying the <tag "512741">behaviour</> of shock-waves from earthquakes: above the Moho, shock waves travel relatively slowly; below it, in the denser rocks of the mantle, they travel much faster.

800005

It is easy to focus too much on the technology of information systems.

To be an effective participant in the development and use of an MIS, a manager must know something about such matters as the principal functional activities within the organization (marketing,

manufacturing, etc.), organizational structure, measurement and reporting systems, planning and control systems, organizational <tag "512740">behavior</>, and incentives.

800006

Enter the Securities and Investments Board, led by chairman David Walker.

The board is worried that the level of dependency to which a fund manager exposes himself may result in <tag "512740">behaviour</> on his part which is detrimental to the interests of his clients.

800007

I haven't given the comeback my best shot, so it is continuing.

The desire is the key.

`The <tag "512740">behaviour</> thing, I must admit, is totally distracting to my game.

...

----- sack.cor(part)-----

800001

But in Commons questions last Tuesday the Prime Minister retreated behind a stock formula to block questions on that very point from Neil Kinnock.

The Labour leader asked: `Will the Prime Minister now explain why she did not do the one thing that would have kept her Chancellor &dash. <tag "504751">sack</> her adviser?"

800002

When challenged by Chris Smith (Islington S and Finsbury) on his involvement in the London management decision to call in police vans, the minister replied to Labour jeers: `I had full forewarning of what the management felt they were obliged to do yesterday."

THE CHANCELLOR of the Exchequer was last night challenged by the Opposition to stand up to the Prime Minister, say `back me or <tag "504751">sack</> me" and end confusion over who is running the economy.

800003

Then employees will be liable to selective dismissal.

At present, employers have to <tag "504751">sack</> all or none of the employees involved in industrial action.

800004

Mrs Thatcher claimed yesterday that she `did everything possible to stop him" from resigning.

She did not, however, <tag "504751">sack</> Sir Alan Walters.

800005

Atkinson, asked whether there were any language problems in Spain.

When I was <tag "504751">sacked</> the most respected radio commentators in all Spain called it `the greatest injustice in the history of Spanish football".

800006

He held up a project to build a paved road to Malawi's northern neighbor, Tanzania, as proof although that construction is part of a World Bank plan to reduce Malawi's dependence on southern trade routes through war-torn Mozambique.

Dr Banda also accused senior civil servants from the north of plotting to secede from Malawi, and encouraged the <tag "504753">sackings</> and arrests of officials of northern origins.

800007

But as Gilmour concedes, it means that the ultimate responsibility for the advent of you-know-who belongs to poor old Macmillan.

Alas, we don't seem to have plots like that any more.

Coming so soon after the Profumo scandal, and just a year after Super-Mac's <tag "504753">sacking</> of a third of his entire Cabinet, it really was a bit more than a Thatcher Punch and Judy show.

...

----- sanction.corr (par)-----

800001

Like Mrs Thatcher, he is against more sanctions &dash. but unlike her he is keeping his powder dry and the South Africans guessing.

Britain has already let it be known that it would veto a UN sanctions resolution.

If Washington wishes to extend <tag "506385">sanctions</>, it will have to persuade South Africa's other trading partners to implement the same package.

800002

Margaret Thatcher has elsewhere repeated many times, and with evident sincerity, that she hates apartheid.

Her argument that economic <tag "506385">sanctions</> are not the best means of promoting change in South Africa is not merely tenable but shared by some well-informed and unimpeachably liberal members of the white opposition in South Africa.

800003

The amendment was defeated by 152 votes to 55, a government majority 97.

Later, Lord Hesketh disclosed that it was planned to appoint two independent advisors, an academic and a businessman, as local government ombudsmen for England; but he rejected calls to give them `teeth' in the form of legal <tag "506384">sanctions</>.

800004

`The EC governments say they must investigate the facts.

But when they have established the facts we will expect them to condemn the actions of the Bulgarian Government and take some kind of <tag "506385">sanctions</> against Bulgaria for its violation of human rights."

800005

The British statement was intended to show Britain's positive response and to chart the way ahead.

Mr Major said the whole thrust of the Commonwealth communique signed by all member countries was that punitive <tag "506385">sanctions</> were ineffectual.

800006

Bush's White House spokesman explained his belief in `trying to provide opportunities for them (the Chinese) to improve our relationship".

In December Bush had also authorised licenses for the export of three communications satellites and refused to impose <tag "506385">sanctions</> recently approved by Congress on export-import bank funding.

...

-----knee.cor (par)-----

800001

GREG MATTHEWS, the all-rounder, will fly to India to replace Tim May, the injured off-spinner, in Australia's squad playing in the Nehru Trophy one-day tournament.

May, who injured his <tag "516619">knee</> against the West Indies last Saturday, has returned home for surgery.

800002

Janice Raymond from the Institute of Women and Technology, based in the US, urges us to take a more critical look at RU 486 in particular, and reproductive technology as a whole.

She warns against what can sometimes be a <tag "516647">knee-jerk</> support of abortion technology for fear of playing into the hands of the right wing.

800003

We were invited to Kim Philby's funeral and said we'd go, but the day was changed and we'd flown to Lvov in the Ukraine.

WE met more writers and admired the beautiful town and visited the cathedral which was crowded with old women, many on their <tag "516631">knees</>.

800004

`Sounds like a conspiracy."

Jo pulled one <tag "516619">knee</> up to her chest and hugged it thoughtfully, reflecting on the hard-won flatness of her own belly.

800005

Bull, who has scored four goals in the last two games, did not train yesterday after picking up the injury during Saturday's 5-0 win over Portsmouth.

Bull's absence would be a big disappointment for Wolves as his fellow striker, Andy Mutch, is almost certain to be sidelined for the third game in a row with a groin injury.

However, defender Nicky Clarke and midfielder Mick Gooding should have recovered from <tag "517036">knee</> injuries in time.

...

----- onion.cor(part) -----

800001

This nearer part is what used to be the flower garden of the Court.

We're cultivating that in strips with lettuce mainly, and some carrots and <tag "528347">onions</> and young leeks.

800002

Spicy meat balls with puntalette were tasty but they looked rather lifeless and microwaves; the sauce could have been a lot more lively.

Christopher started off with prawns cooked in coriander, ginger and garlic, accompanied by a close cousin of the Hellmans family.

A mushroom disguised as an <tag "528347-m">onion</> bhaji with flaking batter was a mouth- watering morsel, but not really a dish in its own right, more an interlude before the chicken a&grave. la British Airways, both accompanied by more Hellmans relatives.

800004

What you grow is obviously a matter of personal choice.

However, salad crops such as lettuce and `<tag "528344">onions</>` are always popular, while those like broad beans, peas and spinach are vital ingredients in a successful and healthy plot.

800006

Place in a large bowl with the saffron and measured water or cold stock and leave until required.

Melt the butter or margarine in a very large pan, add the `<tag "528347">onion</>`, celery and peppers and cook slowly, covered, until the vegetables are soft &dash. about 10min.

800007

Of course you can use any other spicy sausage such as Spanish chorizo or Greek kabanos or you could even try using German salami.

Chop all sausage meat up into slices before using.

Make an interesting mix of grilled red peppers, capers, cheese and, of course, black olives and `<tag "528347">onion</>` (which we grated).

....

----- **Accinde.cor (partial)**-----

800001

Late on Thursday night it was travelling at about three metres a second in wind blowing at 20 to 25 knots when an empty car fell off just as it reached the top.

The `<tag "532675">accident</>` appeared to have little effect on the Christmas party, except to lengthen it considerably.

800002

An image of earnest Greenery is almost tangible.

Eighteen years ago she lost one of her six children in an `<tag "532675">accident</>` on Stratford Road, a tragedy which has become a pawn in the pitiless point-scoring of small-town vindictiveness.

800003

It's a sentiment I recommend to you all.

The <tag "532675">accident</> occurred on the Saturday of the annual Popular Flying Association (PFA) rally at Cranfield.

800004

Wasted journey: Pergamon protesters waiting outside the Oxford Union debating chamber for Robert Maxwell

NORTHERN Ireland Transport Minister Mr Peter Bottomley, today pledged a full inquiry into last night's rail crossing tragedy in which three people died and 27 were injured.

After meeting <tag "538889">accident</> investigators, he said the inquiry's findings would be made public.

800005

Senna's evidence has been heard by the FIA, but the lengthy deliberation by the three-man tribunal means that the case is not as clear-cut as Jean-Marie Balestre, the FIA president, believed on the night of the race.

Balestre had no hesitation in blaming Senna for the <tag "532675">accident</>, adding that he had broken the rules by rejoining in the way he did.

800006

In Tarragona, the site of the Vandellos 1 reactor in northern Spain, confusion seems to have been rife too &dash. this time with consequences that could have been more serious.

The <tag "532675">accident</> caused no injuries and no radioactivity was released.

800007

HOW SAFE IS YOUR KITCHEN?

Safety Week to highlight perils in our kitchens HAVE you ever spilt boiling water from a kettle or mug, slipped on potato peel on the floor, cut yourself on an open tin, or climbed onto a wobbly chair to reach into a high cupboard and fallen off.

More than 250,000 people have to go to hospital each year because of <tag "532675">accidents</> in the kitchen.

800008

It will be some time before that's clear at all.

Also on the A thirty four, at Great Rollright near Chipping Norton, there's been a serious <tag "532675">accident</> there and there are tailbacks beginning to grow in both directions.

800009

Before the contract could be performed one of the barges was lost.

The court held that the contract had not been frustrated by the loss of the barge, not by the decision of the shipowners, whether reasonable or not, not to use their second barge for the performance of the contract.

In construing the contract, the expression `perils or danger and <tag "532674">accidents</> of the sea" described a proximate cause of loss which could arise with or without negligence.

800010

The Cessna 310 used by FLYER magazine was written off in an accident on landing in December.

Geoffrey Boot, who was in command, details G-FLIX'S last flight.

We all read <tag "538889">accident</> reports.

800011

She bought it.

It had been in an <tag "532675">accident</> and it was worthless.

800012

If, like me, she had a recently qualified house physician in the family she would be acutely aware of the following facts: a houseman in as modern a hospital as Oxford's John Radcliffe has to sign a contract for 104 hours a week; payment, beyond the basic 40 hours, is at 38 per cent of the normal wage &dash. less than a cleaner's.

There is no pay at all after the contracted hour; night duty has been rendered far more intensive because of the recent changes the Ministry has sanctioned.

My daughter is responsible at night for more than 100 patients including organ transplants, <tag "532675">accident</>, and open access from renal patients.

....

----- wooder.cor (partial)-----

800001

His literary imagery of the bal &dash. illuminated dimly with red and green lights &dash. bears a strong likeness to Lautrec's pictorial content:

Huysmans sketched an immense, milling crowd and the wild dancing of the polka.

Men, both soldier and civilian, `paradaient, les mains dans les poches" (`strutted around with their hands in their pockets"), and girls were `se poursuivant de me&circ.me que des moutards" (`chasing each other around like little urchins"), while their relations were `assis sur des bancs de bois, contre le mur" (`sitting on <tag "523270">wooden</> benches against the wall").

800002

Head for the old part of Lhasa, near the Jokhang Temple.

Here the streets wind at will, leading you astray through frozen mud and darkened puddles, past <tag "523270">wooden</> gateways with their clutter of cloistered courtyards.

800003

Wheel trims valued at #40 were stolen from a Ford Granada Ghia parked on the forecourt of West of Thame over the weekend.

A section of a <tag "523270">wooden</> fence was torn down by vandals in Churchway, Haddenham.

800005

He admitted drinking ten pints of beer, then pointing the loaded bow at himself in the mistaken belief the safety catch was on.

Miraculously the brass-tipped <tag "523270">wooden</> shaft passed between the two main lower leg bones, missing all major blood vessels and nerves.

800006

It's a village of felt and canvas tents called yurts.

There are also some <tag "523270">wooden</> huts and everything is fenced in to keep out the wolves and curious locals.

800007

Hundreds of small boats littered the moorings.

Just across the harbour is the hamlet of Pont, with a tree-fringed creek, old quays, a malthouse and <tag "523270">wooden</> boat sheds.

800008

The street was wide for an old village, and the houses were solid.

The architecture was all of a piece; nothing recent, nothing flimsy.

<tag "523270">Wooden</> shutters of washed-out blue and green were folded back against the walls to show thick, beautifully patterned lace at the windows.

800009

The party went up through Belvedere Avenue and into Church Road, then left towards the village High Street.

Here expensive cars, parked nose to tail, waited for their owners.

192 The village itself wore, as usual, the air of some carefully designed exhibition at Olympia, and Henry, looking at the <tag "523270">wooden</> shopfronts and the come-hither graphics in the windows, the

resolutely phoney atmosphere of the antique, saw, the way some people saw skulls under skin and hair, the plaster, the rotten beams, the real, ugly history that held the suburb together.

800010

Equipment is haemorrhaging at a cost of #1,000 a week.

Officials calculate that a quarter of their #56,000 of home-care equipment goes over the garden fence each year.

Dr Neil Phillips, manager of the community services programme, said that problems &dash. such as <tag "523270">wooden</> equipment being sawn up into book cases &dash. often arose when elderly patients died at home.

800011

They are immensely adaptable: designed for the plainer interiors of the hot south, they sit happily in stark modernist de&grave.cors, but don't look out of place in rooms stuffed with antiques.

At their most basic, rush and cane seats provided more comfortable seating than the wooden chairs and stools that preceded them.

There was. however, tremendous scope for decoration of the seat itself and the <tag "523270">wooden</> frame, plus the cushions that were almost invariably attached.

...
